To whom it may Concern

Dear Sirs,

RE: I&N Fabrication / Site Servicing Ltd

We wholly promote the use of both I&N Fabrication and I&N Site Servicing Ltd as a professional and reputable steel manufacturing, steel erection and on site remedial company.

The culture and attitude of the whole work force by far exceeds many other companies amongst their peers.

Their contribution toward good site housekeeping and safe working practices is exemplarily and compliments our regime toward the promotion safe site management.

We would have no hesitation in recommending I&N and would welcome the opportunity to discuss their proactive response in attending timely and quality deliveries of fabricated steel to site and dealing with on site matters above and beyond the expectations we have set.

Please contact the writer should you wish to take further reference

Yours faithfully
